Luxury Laser Retreats

BY ME MED SPA

A World-Class Skin Rejuvenation Experience in Ciudad Juárez

AESTHETIC TRAVEL • ADVANCED LASER TECHNOLOGY • PERSONALIZED CONCIERGE CARE

WELCOME

Advanced aesthetics, thoughtfully reimagined.

Luxury Laser Retreats by ME Med Spa was created for guests who want access to advanced skin rejuvenation while enjoying a comfortable, coordinated travel experience. From arrival and transportation to treatment, hotel accommodations and follow-up, each detail is designed to feel personal and effortless.

Our philosophy is simple:

World-class technology. Personalized treatment. Warm hospitality.

THE DESTINATION

Why patients choose ME Med Spa

ADVANCED TECHNOLOGY

UltraClear laser technology with multiple treatment intensities for personalized rejuvenation.

BILINGUAL EXPERIENCE

English- and Spanish-speaking support for U.S. and Mexico-based guests.

CONCIERGE COORDINATION

Transportation, lodging coordination, treatment planning and follow-up in one experience.

BORDER ACCESS

Located in Ciudad Juárez, minutes from El Paso, Texas and the U.S.-Mexico border.

MEET ULTRACLEAR

One platform. Multiple levels of rejuvenation.

UltraClear is an advanced laser platform designed to address concerns ranging from early signs of aging and uneven tone to deeper texture and more intensive resurfacing. Treatment selection is individualized after consultation.

3DMIRACL

A lighter, low-downtime option for glow, tone and texture.

CLEAR

A step up in resurfacing for visible rejuvenation.

CLEAR+

More intensive correction for texture, pigment and aging concerns.

ULTRA

Deep resurfacing for patients seeking more significant rejuvenation.

CORING

A specialized approach for select patients requiring deeper correction.

TREATMENT COLLECTION

Choose the level that fits your skin goals

3DMIRACL — $399

Glow • tone • texture

Downtime: Minimal

CLEAR — $599

Rejuvenation • early aging

Downtime: Light

CLEAR+ — $799

Texture • pigment • resurfacing

Downtime: Moderate

ULTRA — $1,200

Advanced resurfacing • deeper renewal

Downtime: More involved

CORING — $2,000

Specialized deep correction

Downtime: Provider-guided

Treatment intensity, candidacy, recovery and final pricing are confirmed during consultation.

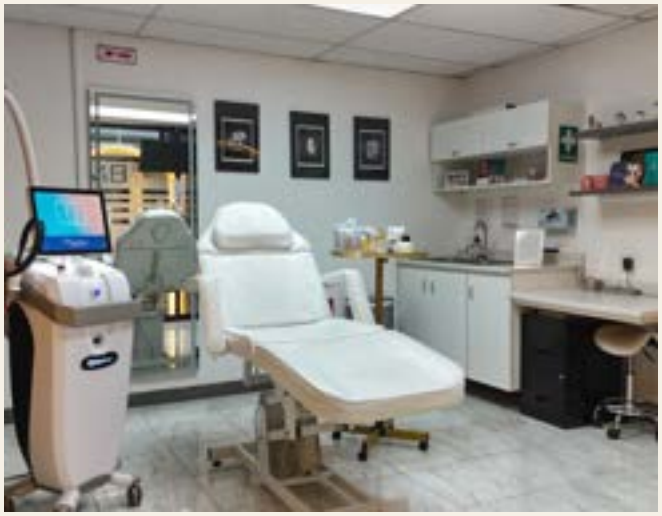
CLINICAL RESULTS

Real-world examples of laser rejuvenation

Representative clinical images supplied with UltraClear/provider attribution. Individual results vary.

YOUR CLINIC

Welcome to ME Med Spa



Warm architectural lighting, private treatment spaces and a dedicated laser room create a setting designed around comfort, privacy and attentive care.

THE PEOPLE BEHIND YOUR EXPERIENCE

A team focused on personalized care

From your first virtual consultation through post-treatment follow-up, our team coordinates your experience with a focus on communication, hospitality and individualized treatment planning.

Your specific treating provider is selected according to treatment type, candidacy and clinical plan.

YOUR JOURNEY

From El Paso to your retreat - coordinated from start to finish

01 **ARRIVE**

Fly into El Paso International Airport for the U.S. retreat experience. Guests traveling within Mexico may also arrive through Ciudad Juárez International Airport.

02 **PRIVATE PICKUP**

For qualifying packages, pickup is coordinated from El Paso International Airport directly to ME Med Spa in Ciudad Juárez.

03 **TREATMENT**

Consultation and your personalized UltraClear treatment take place at ME Med Spa.

04 **RECOVER**

Rest at Hotel Lucerna Ciudad Juárez, approximately a 5-minute drive from the spa.

05 **RETURN**

After follow-up, transportation is coordinated to a U.S. Port of Entry - Santa Fe or the Bridge of the Americas (Córdova-Américas).

YOUR STAY

Rest. Recover. Rejuvenate.

Hotel Lucerna Ciudad Juárez

Approximately a 5-minute drive from ME Med Spa

Selected for its convenient location and comfortable accommodations, Hotel Lucerna gives retreat guests a relaxing place to rest after treatment while remaining close to the spa for follow-up.

RETREAT OPTIONS

More than a laser appointment

SIGNATURE RETREAT

1 NIGHT

- El Paso International Airport pickup*
- Private transfer to ME Med Spa
- Personalized UltraClear treatment
- One hotel night
- Post-treatment follow-up
- Transfer to a U.S. Port of Entry
- Bilingual concierge coordination

EXTENDED RECOVERY RETREAT

2 NIGHTS

- El Paso International Airport pickup*
- Private transfer to ME Med Spa
- Personalized UltraClear treatment
- Two hotel nights
- Post-treatment follow-up
- Transfer to a U.S. Port of Entry
- Bilingual concierge coordination

Choose any UltraClear modality: 3DMIRACL, Clear, Clear+, Ultra or Coring. Retreat pricing is customized according to treatment selection, hotel dates and travel needs.

*Airport pickup applies to the El Paso arrival package. Return transportation is to the selected U.S. Port of Entry rather than back to the airport.

PLAN WITH CONFIDENCE

Your recovery experience is personalized

Laser recovery is not one-size-fits-all.

Downtime depends on the modality, treatment depth, skin condition and individual healing response. Before you travel, our team will review what to expect, what to bring and how to care for your skin.

BEFORE YOU ARRIVE

Virtual consultation and candidacy review.

AFTER TREATMENT

Written aftercare guidance and support.

FOLLOW-UP

A planned check-in before your return to the U.S.

FREQUENTLY ASKED QUESTIONS

The details that make travel easier

Do I need to speak Spanish?

No. Bilingual support is available throughout your ME Med Spa experience.

Can someone travel with me?

Yes. Companion arrangements can be discussed when your retreat is quoted.

Do you take me back to the airport?

The package described here includes return transportation to a U.S. Port of Entry, not to El Paso International Airport.

How long should I stay?

That depends on your treatment. We offer one- and two-night retreat structures, and your provider may recommend the option that best fits your recovery.

Can I choose my UltraClear treatment?

You can tell us your goals, but the final modality and settings are selected after a clinical consultation and candidacy assessment.

Are results guaranteed?

No. Outcomes vary by patient, treatment intensity, skin condition and healing response.
